

Large Personal Package

- Free domain name!
- Free domain name!
- 10 GB of web space!
- 10 web pages
- 5 email accounts
- Online Photo Gallery
- Cost \$475

This custom site package is for the person or business needing a substantial web presence, including plenty of storage space and email and webpages .

It provides 10 GB of web space, and up to 10 web pages that can be filled with your text or photos. Also included is a contact page so that your site visitors can contact you through a form on your website.

This package also comes with a domain name (www.yourdomain.com) and five email accounts (yourname@yourdomain.com), each with POP3 or webmail access.

The domain and web hosting are for one year . Each year thereafter costs \$115.
